

Lutheran Care Center at Concord Village

Skilled Nursing
& Sub-Acute Rehabilitation

*A full range of services
for long- and short-term
care – right what you
need, when you
need it.*

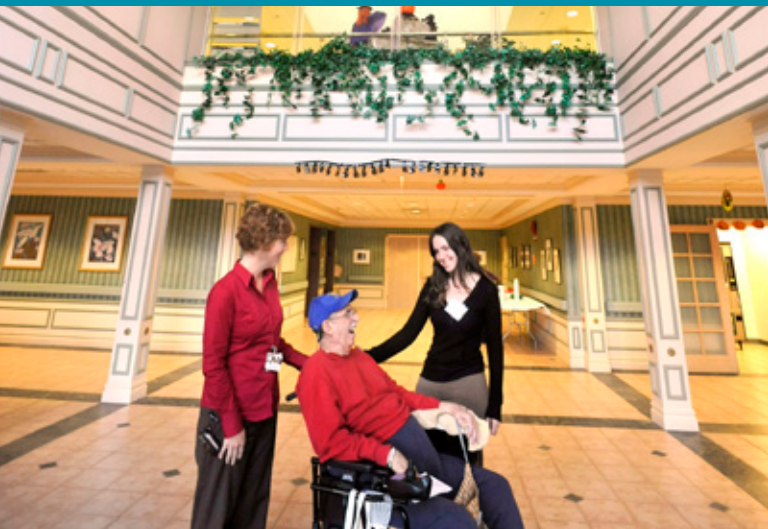

Sub Acute Rehabilitation Services

Our short-term sub-acute rehab provides skilled rehab services for people who have an acute or chronic illness, or are recovering from injury, accident or surgery. We have 40 sub-acute beds and our 1:1 rehab services are offered daily, including weekends and most holidays.

Our experienced team of rehab professionals treat people with a wide variety of needs, including

- Neurological illnesses/injuries – TIAs, Parkinson's Disease, MS, ALS
- Cardio-Pulmonary Diseases – MI, CAD, COPD, CHF, Cardio-thoracic surgery, pneumonia
- Orthopedic – amputations, joint replacement
- Infectious disease management – MRSA, CDIFF, ESBL, VRE
- Other illness/accidents/disabilities – diabetic management, end-of-life care, trach care, end-stage renal disease

Our interdisciplinary rehab team, which includes physical, occupational, speech pathology services, works to provide our residents with individualized treatment to achieve the highest level of independence.

Sub-acute rehab might include:

- Therapeutic exercise
- Fine and gross motor skills
- Sit and stand balance activities
- Ambulation and transfer training
- Activities of daily living
- Self-care management training
- Cognitive assessment and retraining
- Swallowing therapy
- Speech and language therapy
- Discharge planning
- Community integration
- Home evaluations
- Cardio thoracic rehab
- Diabetic training
- Dialysis (off-site)
- Trach care

Our Philosophy of Care

For 135 years, The Lutheran Care Network has been caring for people in our facilities or in the comfort of their own homes. Lutheran Care Center at Concord Village opened in 1998. We have a long, rich history and a trusted relationship with many families.

We understand that quality care and respect come first and foremost. With senior citizens living longer, healthier lives today, the need for services that meet their new requirements for care will grow. We understand that families, already busy with jobs, children, and lives of their own, want the gold standard in care for their loved ones, without worry.

Our staff is committed to the physical, emotional and spiritual needs of seniors. Their well-being comes first - before any bottom line, insurance reimbursement, ability to pay, or morass of paperwork.

Our Building

Our modern facility looks more like an up-scale retirement residence than a nursing care center, offering all the amenities that seniors desire, including gardens, a library, recreation room, barber shop and beauty services. From the minute you walk into the plant-filled atrium lobby, you'll feel our commitment to providing an atmosphere of compassionate care where seniors can live out their later years with quality, respect and dignity. A beautiful multi-denominational chapel with stained-glass windows is easily accessible on the first floor.

Our Staff

Our staff consists of physicians, nurse practitioners, registered nurses, licensed practical nurses, certified nurse assistants, social workers, registered dietitians and physical, occupational, speech and recreational therapists.

About Lutheran Care Center

Lutheran Care Center at Concord Village is a licensed skilled nursing care and rehabilitation center. With 120 long-term beds and 40 short-term beds, LCC is considered mid-sized, which means our residents receive individualized care. We also have an onsite chaplain who visits with residents and families and holds services.

Our Goal

Our goal is to care for people's physical, emotional and spiritual needs. Our tradition is Lutheran, but our residents come from all faith backgrounds.

Accepted Insurance

Medicare, Medicaid, MVP, Blue Cross/Blue Shield, United Health Care, other insurances and private pay.

*TLC quality health care
in a faith-based tradition*
