Dear Friends,

The Lutheran Care Center is celebrating **25 years** of serving older adults and their families by providing valuable long-term skilled nursing, short-term rehabilitation and an Extended Family Care program.

While this event is celebratory, it is also a fundraising opportunity to support our mission and services. We hope that you will join us in person, as well as support us with a donation.

Essential to the success of our event are Sponsorships (levels are listed on the enclosed page) and Raffle Basket donations. **Products, services, monetary donations, and sponsorship listings are all appreciated.** If you or someone you know has a vacation home, access to concert or sporting tickets, or a connection to a local business we are more than happy to work with you in determining a donation that will be mutually beneficial. A donation agreement form is enclosed. You may also use the QR code to sign up on our website: [www.lutherancarecenter.org/celebrate](http://www.lutherancarecenter.org/celebrate)

Even if you are unable to attend the luncheon, your support will be greatly appreciated. All sponsors and donors will be listed in the Luncheon Program and on the LCC Web site.

Should you have any questions at all, please feel free to contact Sue Lynch at LCC by phone: 845-235-8207 or by email: [slynch@tlcn.org](mailto:slynch@tlcn.org).

We thank you for considering this contribution. Your generous support of Lutheran Care Center, a non-profit organization, will directly benefit the residents we serve. We hope to see you in October!

**Your support is helping enhance the lives of hundreds of residents who call *Lutheran* their home each year. We are grateful.**
