Dear Residents and Family Members:

As a follow-up to our posting yesterday, our second round of house-wide resident testing identified no new cases of COVID-19 in the facility. Therefore, we are able to resume visitation today. If you would like to visit your loved ones at LCC, please call the Reception Desk to schedule an appointment.

Visiting hours are as follows:

Monday through Friday:

<u>Time</u>	<u>Location</u>	<u>Maximum # of Visitors</u>
10 a.m. – 10:30 a.m.	Adult Day Program	16
11 a.m. – 11:30 a.m.	Adult Day Program	16
4 p.m. – 4:30 p.m.	Main Lobby	16
5 p.m. – 5:30 p.m.	Main Lobby	16

There will be **No** visits scheduled for weekends and holidays at this time.

Again, thank you for your patience and understanding as we navigate this pandemic. Lutheran Care Center takes the protection of our vulnerable residents and our staff very seriously and must always err on the side of caution.

In addition to in person visits, FaceTime, Zoom and Skype are always available for you to stay connected to your loved ones. Please contact our Nurse Managers, Social Workers, and the Director and Assistant Director of Nursing for any additional assistance you may require.

Please do not let your guard down now--avoid crowds, get vaccinated as soon as possible and always wear your mask.
