Dear Residents and Families of the Lutheran Care Center,

I am both honored and excited to introduce myself as the new Administrator of our Lutheran Care Community. It is a privilege to join a place with such a rich tradition of compassionate care, and I am truly looking forward to becoming a part of this wonderful community.

Caring for others is at the heart of what we do, and I am committed to upholding the values that make Lutheran Care a trusted and welcoming home. I want each of you to know that my door is always open — whether you have a question, concern, idea, or simply want to say hello. Building strong relationships with our residents and families is important to me, and I believe that open communication is key to creating the best possible environment for everyone who lives and works here.

In the days and weeks ahead, I look forward to meeting each of you personally. Please don't hesitate to introduce yourselves or stop by for a chat. I am eager to hear your stories, learn about your experiences, and work together to ensure our community continues to thrive. Thank you for welcoming me into the Lutheran Care family. I'm excited for the journey ahead and all that we will accomplish together.

Warm regards,

Megan Holton
