

## **COVID-19 UPDATE**

**11-22-2020**

Dear Residents and Family Members:

We were notified on Saturday, 11/21/20 that an asymptomatic resident tested positive for COVID-19. In accordance with NYS DOH guidelines, the resident, as well as the resident's family were made aware of the results. The resident was transferred to our designated COVID section and will quarantine for 14 days. The NYS DOH was also notified, and the facility will be conducting contact tracing to identify any residents and/or staff that may have been exposed. Please continue to monitor the website for additional information, if necessary.
