

## COVID-19 UPDATE

### VISITATION

**10/16/2020**

Dear Residents and Family Members:

As announced yesterday, Lutheran Care Center received approval to resume visitation from the NYS Department of Health, **effective immediately**. In that communication, we indicated that one of the NYS DOH requirements is for visitors to present proof **of a NEGATIVE COVID-19 Test** that was conducted within seven (7) days of visitation.

For your convenience, I have attached a link to this update regarding testing availability in the area. Additional testing sites will be posted if and when that information is available to us.

Be well and stay safe.
